

one world_one brand_one level_

LevelOne Port 4 Router with 1 WAN Port

LevelOne Port 4 Router with 1 WAN Port
+ USB Printer Server + Software VPN

TECHNICAL DATA

Standard Conformance:

- IEEE802.3, IEEE802.3u, IEEE802.3x

Ports:

- LAN Port 4 x RJ45, 10/100 Mbps with Auto-MDI/MDIX
- WAN Port 1 x RJ45, 10/100 Mbps with Auto-MDI/MDIX
- USB Port: 1 x USB type A, USB1.1

Hardware:

- Conexant ARM9
- 1MB flash memory, 8MB DRAM

General Protocols:

- IP Protocol: TCP/IP v4, DHCP server, Proxy DNS Server
- User Interface: Web-Based
- Management: Web-Based, SNMP

WAN Type:

- Static IP, dynamic IP
- PPP over Ethernet
- PPTP

Firewall:

- NAT firewall and SPI firewall
- DoS Detection
- One-to-Many NAT
- One-to-Many NAT
- Max. 253 User
- Virtual Server
- Special Applications
- DMZ Host

Input Power:

- DC 5V/2A external power supply

Access Control:

- MAC-level Access Control
- Inbound/Outbound IP Filter
- Domain Access Control

Event Logging:

- On-web logging
- Syslog supported
- Email Alert

Printer Server Support:

- Type of Printer Supported: USB
- Printing Protocol: LPR (RFC1179)
- Supported OS: 98SE/ME/2000/XP, Unix LPR, MAC OS

Physical Characteristics:

- Dimensions:
- Weight:
- Operating Temperature: 0-40° C, Humidity 10%-90% non-condensing
- Storage Temperature: -20-70° C, Humidity: 0-95% non-condensing

Certification and Reliability:

- FCC, CE, VCCI, UL
- Reliability Stress Test, Vibration Test, Drop Test

Ordering Information:

- FBR-1409TX Port 4 Router with 1 WAN Port
+ USB Printer Server + Software VPN
