

LevelOne 4 Port Router with 1 WAN Port

LevelOne 4 Port Router with 1 WAN Port

TECHNICAL DATA

Standard Conformance:

- IEEE802.3, IEEE802.3u, IEEE802.3x

Ports:

- LAN Port 4 x RJ45, 10/100 Mbps with Auto-MDI/MDIX
- WAN Port 1 x RJ45, 10/100 Mbps with Auto-MDI/MDIX

General Protocols:

- IP Protocol: TCP/IP v4, DHCP server, Proxy DNS Server
- User Interface: Web-Based
- Management: Web-Based, SNMP

WAN Type:

- Static IP, dynamic IP
- PPP over Ethernet
- PPTP, L2PT
- Telstra BigPond

Firewall:

- NAT firewall and SPI firewall
- DoS Detection
- Max. 253 User
- Up to 20 Virtual Server
- Up to 8 Special Applications
- Up to 5 DMZ Host (Virtual Computer)

Access Control:

- MAC-level Access Control
- Inbound/Outbound Packet Filter
- Domain Access Control
- URL Blocking

Event Logging:

- On-web logging
- Syslog supported
- Email Alert

Other Features:

- Dynamic DNS: DynDns.org (dynamic/static), TZO.org, dhs.org
- Up to 8 Routing entries
- Schedule Rules
- Configuration Backup

Input Power:

- DC 5V/2A external power supply

Physical Characteristics:

- Dimensions: 220mm (B) x 130mm (T) x 32mm (H)
- Weight : 555g
- Operating Temperature: 0~40oC, Humidity 10%~90% non-condensing
- Storage Temperature: -20~70oC, Humidity: 0~95% non-condensing

Certification and Reliability:

- FCC, CE, VCCI, UL
- Reliability Stress Test; Vibration Test; Drop Test

Ordering Information:

- FBR-1413TX 4 Port Router with 1 WAN Port
